## SUMMER 2009 NEWSLETTER

### 2008/2009 SEASON RECAP

We hope everyone is doing well this year. It's that time of year again...time to start preparing for the upcoming hunting seasons. Stillwater is very excited for the 2009/2010 season, but before we get to that is time to recap the 2008/2009 season.

For those of you that hunted with us, you were blessed with some of the best goose hunting in Colorado history. We had perfect weather and we were holding birds from opening day until the season closed. We shot just

under 2,000 geese for the season. Great job guys and gals! That is a pretty big number of birds and due to our prime locations and strict management practices, we were able to provide World-Class shooting for the entire season.

With the addition of several new farms combined with all of our "old reliable" farms, the 2009/2010 season is looking to be one for the books. We have also had great reports of bird hatch to the North of us in the Dakotas and the Canadian Provinces.

*"I can't tell you how much I appreciate the follow up and the customer service you provide. There are many choices of Outfitters to hunt with, but very few that focus on the customer."*

— Vince, Client of 10 years

### READY...SET...GO!

#### Gearing up for the 2009/2010 Season

We still have some prime dates available for the upcoming season. Stillwater will again be running the "Early Bird Special".

For those of you who book your hunts before September 1, you will receive **\$50 off per hunter per day**. That is **\$200 off a 4 gun goose hunt**. Deposits must be paid at the time of booking to be eligible for the discount. All of our waterfowl hunts are eligible for the discount.

Teal season is right around the corner so don't wait to book your trip of a lifetime.

Stillwater is also offering sub-leases at this time. With the acquisition of several new farms our inventory is looking better than ever. We do not have room for all of it so if you just want your own field to hunt get ahold of us and we can set you up for the season.

## COLORADO DOVE HUNTS

### First Annual Colorado Dove Hunt/Barbeque

Don't forget to mark September 1st down on your calendar! Stillwater is holding our First Annual Colorado Dove Hunt/Barbeque. We are limiting the number of hunters to 30 and the price is **\$175.00 for the day.**

We will be splitting the hunters into several groups to chase to little sky rockets. After the morning hunt, everyone will meet at a predetermined location for a BBQ and story swappin. If you did not reach your limit of Doves in the

morning, you will be welcome to return to the field in the afternoon for some more wing shooting. **Included in your hunt cost: the hunt, BBQ, non-alcoholic beverages, and guide.**

We are seeing great numbers of birds already on the Front Range. Don't wait to book a great way to warm up for the waterfowl season and meet some new people along the way. We will still be offering our regular Dove hunts for \$100 per gun per day for the rest of the season.

*"Just wanted to pass on that we enjoyed a fantastic hunt today at the 'Church' with Shane. What an amazing spot with thousands of birds flying all morning. He did an awesome job of working them close and we did our best to make our shots count. Can't beat having Big Canadas back pedaling at 25 yards! Thanks again and we hope to hunt with Stillwater again in the future!"*

— Matt, First Time Client

## COLORADO FISHING

### Fishing is Back!

Stillwater has been working on providing our customers with a prime Bass fishing location for years, but something always seemed to get in the way. That is until now. We are happy to announce that we will be selling fishing memberships again in 2010.

We have been working with Liley Fisheries out of Boulder Colorado and are excited to announce that we just finished stocking one of our gravel pits with Bass, Crappie and Blue Gill.

We are also working closely with Liley Fisheries to provide some great habitat for our fish and give you guys the best fishing out there for a reasonable price. Call or email Travis ([travis@stillwateroutfitters.net](mailto:travis@stillwateroutfitters.net)) for more details.

## COLORADO TURKEY AND DEER

We have some Prime Colorado Deer and Turkey hunting available for our clients. We are offering hunts out by Fort Morgan and also by Windsor Colorado. If you have preference points, please call us and we can help with the application process and get you one step closer to the trophy of a lifetime. We had two hunters this Spring and we harvested two long-bearded turkeys on our Colorado properties. We will only be taking 6 hunters total in 2010.

We also will be taking 6 deer hunters in Colorado. There are 4 Archery hunts and 2 Rifle hunts available. Call or email for more details.

*Friends and Family of Stillwater Outfitters,*

*We just wanted to thank everyone who hunted with us last year. We had a lot of fun and enjoyed some fantastic hunting. I know that times are tough and you guys work hard to save for these trips and we promise to give you 100% every time we go out. Our guides are second to none and I am very proud of them. If there is ever anything we can do for you please call us and we will do our best to accommodate you.*

*Finally, Stillwater has been around a long time and we are finally going to hit the information highway. This will be the last newsletter that is sent out via snail mail. We are now upgrading and going to a newsletter that is emailed. If you are still interested in receiving our newsletter, please email Travis ([travis@stillwateroutfitters.net](mailto:travis@stillwateroutfitters.net)) and you will be added to the mailing list. You will also receive hunting updates throughout the season.*

*We appreciate your business and look forward to seeing you in the pit!*

**Be Safe and Good Hunting!**
